## **Certificate of Authorization Application to Change the Engineer of Record**

**INSTRUCTIONS FOR COMPLETING**

Certificate of Authorization Application to Change the Engineer of Record  
**APPLICATION FOR AMENDED CERTIFICATE OF AUTHORIZATION**

1. A review of Chapter 471, Florida Statutes and Chapter 61G15, Florida Administrative Code is necessary to become familiar with the responsibilities applicable under the law when offering engineering services to the public.
2. Each registered engineer in your firm should also be acquainted with Chapter 471, F.S. and 61G15, F.A.C.
3. The name of a corporation or partnership, if otherwise authorized, may include the name or names of one or more deceased or retired members of the firm, or of a predecessor firm in a continuing line of succession. An engineering firm may not offer services to the public under a firm name which contains only the name of an individual not licensed as a professional engineer, registered architect, landscape architect, land surveyor or professional geologist, in any state (Chapter 61G15-19.001 2, F.A.C.)
4. A fee of **\$125** must accompany the application document. Make check, money order, or cashier's check payable to the Florida Board of Professional Engineers.
5. Corporations, Limited Liability Companies, Professional Liability Companies, and other forms of business organizations must provide the document number as proof of existence and proper registration status with the Secretary of State, State of Florida. Questions pertaining to corporate registration should be directed to the Secretary of State, Division of Corporations, at (850) 488-9000.
6. If you have filed a NEW corporation with the Florida Secretary of State/Division of Corporations, you must submit a NEW Certificate of Authorization application.
7. If your business is a partnership, attach a copy of your Partnership Agreement.
8. The engineer of record for a Certificate of Authorization MUST be listed as an officer with the Florida Secretary of State/Division of Corporations. The title of the engineer for a L.L.C. must be a "Managing Member". The title of the engineer for a corporation must be one of the following: "President, Vice President, Secretary or Treasurer."
9. If your company offers land surveying services, a separate Certificate of Authorization is required. The application form may be obtained by writing the Board of Professional Surveyors and Mappers, 1940 North Monroe Street, Tallahassee, FL 32399-0756.
10. Changes of engineer of record require an amended Certificate of Authorization application document to be filed within one (1) month of the change (Section 471.023 (4), F.S.
11. If you utilize a Post Office Box for mailing, your physical location must also be listed on the application.
12. Applications will be reviewed within thirty (30) days of receipt.
